

**JOINT LEGISLATIVE COMMISSION
ON MUNICIPAL INCORPORATIONS**

**REPORT TO THE
GENERAL ASSEMBLY
OF NORTH CAROLINA**

Town of Holiday Island

March 25, 1999

REPORT TO THE GENERAL ASSEMBLY
PROPOSED INCORPORATION OF THE
TOWN OF HOLIDAY ISLAND
MARCH 25, 1998

The Joint Legislative Commission on Municipal Incorporations was created in 1986 by the General Assembly to conduct an independent review and evaluation of proposed municipal incorporations. This evaluation, to be conducted in accordance with a statutory set of objective criteria, is designed to allow the General Assembly to see the feasibility of the proposed new municipality. The Commission consists of four members of the General Assembly, one city official, and one county official. A list of members appears as Appendix A.

The criteria includes specifics as to community support, (a petition is required) population, land development, nearness to other urban areas, and ability to provide municipal services at a reasonable tax rate. A copy of the statutes authorizing the Commission and setting up the review standards is attached as Appendix B.

During the current review cycle, the Commission on October 26, 1998 received a petition proposing the incorporation of the Town of Holiday Island in Perquimans County. A copy of the petition is attached as Appendix C.

Upon receiving the petition, the Commission asked the Division of Community Assistance of the Department of Commerce to evaluate the proposal under G.S. 120-161. The Division made the evaluation (a copy of which is attached as Appendix D), and based on that evaluation, the Commission on January 28, 1999 found that the preliminary requirements of G.S. 120-163 and G.S. 120-164 had been met, except the proposed Town didn't provide evidence of notification to Perquimans County of the intention to incorporate, legal notice to the community, and population density.

The Commission asked the Division of Community Assistance of the Department of Commerce to evaluate the proposal under G.S. 120-167 through G.S. 120-170 upon receipt of the missing information. After receiving the information, the Division made the evaluation (a copy of which is attached as Appendix E), and found that the statutory requirements have been met if the Commission determines that the tax rate of \$.63/\$100 assessment is reasonable.

On March 19, 1999, the Commission held a public hearing on the incorporation of Holiday Island in Hertford, North Carolina. Twelve persons spoke in favor of incorporation and eighteen spoke in opposition.

The Commission finds that the tax rate of \$.63/\$100 assessment is reasonable. The Commission further finds that the proposed Town of Holiday Island meets the standards required by Article 20 of Chapter 160A of the General Statutes and recommends incorporation of the area as the Town of Holiday Island.

provided by the Legislative Services Commission. The Commission may contract with the Institute of Government, the Local Government Commission, the Department of Environment and Natural Resources, or other agencies as may be necessary in completing any required studies, within the funds appropriated to the Commission.

§120-162. Reserved for future codification purposes.

PART 2. Procedure for Incorporation Review.

§120-163. Petition.

(a) The process of seeking the recommendation of the Commission is commenced by filing with the Commission a petition signed by fifteen percent (15%) of the registered voters of the area proposed to be incorporated, but by not less than 25 registered voters of that area, asking for incorporation.

(b) The petition must be verified by the county board of elections of the county where the voter is alleged to be registered. The board of elections shall cause to be examined the signature, shall place a check mark beside the name of each signer who is qualified and registered to vote in that county in the area proposed to be incorporated, and shall attach to the petition a certificate stating the number of voters registered in that county in the area proposed to be incorporated, and the total number of registered voters who have been verified. The county board of elections shall return the petition to the person who presented it within 15 working days of receipt.

(c) The petition must include a proposed name for the city, a map of the city, a list of proposed services to be provided by the proposed municipality, the names of three persons to serve as interim governing board, a proposed charter, a statement of the estimated population, assessed valuation, degree of development, population density, and recommendations as to the form of government and manner of election. The proposed municipality may not contain any noncontiguous areas.

(d) The petitioners must present to the Commission the verified petition from the county board of elections.

(e) A petition must be submitted to the Commission at least 60 days prior to convening of the next regular session of the General Assembly in order for the Commission to make a recommendation to that session.

§120-164. Notification.

(a) Not later than five days before submitting the petition to the Commission, the petitioners shall notify:

- (1) The board or boards of county commissioners of the county or counties where the proposed municipality is located;
- (2) All cities within that county or counties; and
- (3) All cities in any other county that are within five miles of the proposed municipality of the intent to present the petition to the Commission.

(b) The petitioners shall also publish, one per week for two consecutive weeks, with the second publication no later than seven days before submitting the petition to the Commission, notice in a newspaper of general circulation in the area proposed to be incorporated of the intent to present the petition to the Commission.

§120-165. Initial inquiry.

(a) The Commission shall, upon receipt of the petition, determine if the requirements of G.S. 120-163 and G.S. 120-164 have been met. If it determines that those requirements have not been met, it shall return the petition to the petitioners. The Commission shall also publish in the North Carolina Register notice that it has received the petition.

(b) If it determines that those requirements have been met, it shall conduct further inquiry as provided by this Part.

***** § 120-166. Additional criteria; nearness to another municipality.**

(a) The Commission may not make a positive recommendation if the proposed municipality is located within one mile of a municipality of 5,000 to 9,999, within three miles of a municipality of 10,000 to 24,999, within four miles of a municipality of 25,000 to 49,999, or within five miles of a municipality of 50,000 or over, according to the most recent decennial federal census, or according to the most recent annual estimate of the Office of State Budget and Management if the municipality was incorporated since the return of that census.

(b) Subsection (a) of this section does not apply in the case of proximity to a specific municipality if:

- (1) The proposed municipality is entirely on an island that the nearby city is not on;
- (2) The proposed municipality is separated by a major river or other natural barrier from the nearby city, such that provision of municipal services by

the nearby city to the proposed municipality is infeasible or the cost is prohibitive, and the Commission shall adopt policies to implement this subdivision;

- (3) The municipalities within the distances described in subsection (a) of this section by resolution express their approval of the incorporation; or
- (4) An area of at least fifty percent (50%) of the proposed municipality has petitioned for annexation to the nearby city under G.S. 160A-31 within the previous 12 months before the incorporation petition is submitted to the Commission but the annexation petition was not approved.

*** The 1998 amendment, effective November 1, 1998, rewrote subdivision (b)(3), which formerly read "The nearby municipality by resolution expresses its approval of the incorporation; or". The amendment is applicable to annexations for which the resolution of intent is adopted on or after November 1, 1998, and shall not apply to any incorporation proposal originally presented to the Joint Legislative Commission on Municipal Incorporations prior to that effective date.

§120-167. Additional criteria; population.

The Commission may not make a positive recommendation unless the proposed municipality has a permanent population of at least 100.

§120-168. Additional criteria; development.

Except when the entire proposed municipality is within two miles of the Atlantic Ocean, Albemarle Sound, or Pamlico Sound, the Commission may not make a positive recommendation unless forty percent (40%) of the area is developed for residential, commercial, industrial, institutional, or governmental uses, or is dedicated as open space under the provisions of a zoning ordinance, subdivision ordinance, conditional or special use permit, or recorded restrictive covenants.

§120-169. Additional criteria; area unincorporated.

The Commission may not make a positive recommendation if any of the proposed municipality is included within the boundary of another incorporated municipality, as defined by G.S. 153A-1(1).

***** § 120-169.1. Additional criteria; level of development, services.**

(a) Level of Development. -- The Commission may not make a positive recommendation unless the entire area proposed for incorporation meets the applicable criteria for development under G.S. 160A-36(c) or G.S. 160A-48(c).

(b) Services. -- The Commission may not make a positive recommendation unless the area to be incorporated submits a plan for providing a reasonable level of municipal services. To meet the requirements of this subsection, the persons submitting the plan for incorporation must propose to provide at least two of the following services:

- (1) Police protection.
- (2) Fire protection.
- (3) Garbage and refuse collection or disposal.
- (4) Water distribution.
- (5) Sewer collection or disposal.
- (6) Street maintenance, construction, or right-of-way acquisition.
- (7) Street lighting.
- (8) Adoption of citywide planning and zoning.

*** This section becomes effective November 1, 1998, is applicable to annexations for which the resolution of intent is adopted on or after that date, and shall not apply to any incorporation proposal originally presented to the Joint Legislative Commission on Municipal Incorporations prior to that date.

§120-170. Findings as to services.

The Commission may not make a positive recommendation unless it finds that the proposed municipality can provide at a reasonable tax rate the services requested by the petition, and finds that the proposed municipality can provide at a reasonable tax rate the types of services usually provided by similar municipalities. In making findings under this section, the Commission shall take into account municipal services already being provided.

§120-171. Procedures if findings made.

(a) If the Commission finds that it may not make a positive recommendation because of the provisions of G.S. 120-166 through G.S. 120-170, it shall make a negative recommendation to the General Assembly. The report to the General Assembly shall list the grounds on which a negative recommendation is made, along

with specific findings. If a negative recommendation is made, the Commission shall notify the petitioners of the need for a legally sufficient description of the proposed municipality if the proposal is to be considered by the General Assembly. At the request of a majority of the members of the interim board named in the petition, the Commission may conduct a public hearing and forward any comments or findings made as a result of that hearing along with the negative recommendation.

(b) If the Commission determines that it will not be barred from making a positive recommendation by G.S. 120-166 through G.S. 120-170, it shall require that petitioners have a legally sufficient description of the proposed municipality prepared at their expense as a condition of a positive recommendation.

(c) If the Commission determines that it is not barred from making a positive recommendation, it shall make a positive recommendation to the General Assembly for incorporation.

(d) The report of the Commission on a petition shall be in a form determined by the Commission to be useful to the General Assembly.

§120-172. Referendum.

Based on information received at the public hearing, the Commission may recommend that any incorporation act passed by the General Assembly shall be submitted to a referendum, except if the petition contained the signatures of fifty percent (50%) of registered voters the Commission shall not recommend a referendum.

§120-173. Modification of petition.

With the agreement of the majority of the persons designated by the petition as an interim governing board, the Commission may submit to the General Assembly recommendations based on deletion of areas from the petition, as long as there are no noncontiguous areas.

§120-174. Deadline for recommendations.

If the petition is timely received under G.S. 120-163(e), the Commission shall make its recommendation to the General Assembly no later than 60 days after convening of the next regular session after submission of the petition.

§120-175 through 120-179: Reserved for future codification purposes.

Holiday Island Incorporation Task Force

October 26, 1998

Honorable W.T. Culpepper, III
Post Office Box 344
Edenton, North Carolina

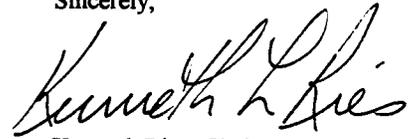

Dear Representative Culpepper:

We have completed our research on incorporation and have concluded that incorporation of our community is a viable solution to our problems. We are enclosing a map of the proposed area of incorporation, a copy of our charter, and a budget of anticipated revenues and expenses for our first year of operation.

We have also enclosed a petition with over seventy signatures of registered voters in our community. We have checked the voting roles, which indicate we have three hundred eighty four registered voters. However, further research indicates that at least ten have moved away or deceased.

We thank you in advance for agreeing to present our petition to the General Assembly in January 1999.

Sincerely,

Kenneth Ries, Chairman,
Incorporation Task Force

MEMO for Leslie Cline

NOTIFICATION OF INCORPORATION

As suggested by Mr. Cohen, we have taken the following steps:

1. Prepared a letter notifying the county and the two towns within the county of our intention to petition for incorporation. Enclosure (1) is a copy of that letter.
2. I have personally hand-delivered copies of this notice to:
 - Office of the County Manager, Perquimans County
 - Place of Business of the Chairman, Board of Commissioners, Perquimans County
 - Office of the County Attorney, Perquimans County
 - Office of the Manager, Town of Hertford
 - Town Office, Town of WinfallIn each office, I have advised the clerks of the content of the letter and the reason for my delivering it.
3. Paid for a legal notice to be published in the Perquimans Weekly. Enclosure (2) is a copy of the letter to the editor asking for the notice to be published.

My understanding is that on January 18, 1999, seven days after the second notice is published, I will send you a new copy of the petition asking the North Carolina General Assembly to enact local legislation incorporating the Town of Holiday Island.

Sorry for all the last minute flaps. I am really impressed with your willingness to work with me, and for your prompt and helpful replies

NOTIFICATION OF INTENT TO INCORPORATE

The purpose of this letter is to inform Perquimans County and the two cities or towns located within Perquimans County of our intent to incorporate the Town of Holiday Island.

The Incorporation Task Force of Holiday Island is a group of property owners and residents of Perquimans County who have studied the possibility of incorporation for the Holiday Island Subdivision. We have nearly completed our work and have determined that incorporation is in the best interests of the citizens of Holiday Island.

In the Spring of 1998, several members of this Task Force had conversations by phone and scheduled several informal meetings with various city and county officials. We met with the Chairman of the county Board of Commissioners, the County Manager, the Manager of the Town of Hertford and the Mayor of Winfall. Our understanding from those meetings was that the individuals involved were helpful and supportive of our efforts to incorporate, but the two cities and the county took no official action in regard to our intention.

Notices and flyers were distributed door to door within the community in an effort to inform the citizens of the plan to incorporate and to solicit their support. A open forum was held in June, 1998 with a representative from the North Carolina Institute of Government. More than 100 citizens attended to hear information about incorporation and to ask questions.

In November, 1998, the Task Force collected signatures on a petition to the North Carolina General Assembly asking the General Assembly to enact local legislation to incorporate Holiday Island. The Joint Legislative Commission on Incorporation now has the following items:

Draft charter for the Town of Holiday Island

Map showing the area of the proposed town...all residential sections of the Holiday Island Subdivision

Proposed initial budget using an anticipated tax rate of S.30

Statement of Development showing that all the land in Holiday Island has been developed...all sections have been platted and more than 99 percent of the lots have been sold.

Estimate of the number of registered voters who reside within the area of the proposed town - 375.

Petition asking for incorporation signed by more than 15 percent of the registered voters

Population density statement that the population of the proposed town is approximately 523

Request for a voter referendum on incorporation at the November, 1999 general election.

We intend to publish formal legal notice to the community in the Perquimans Weekly and resubmit our petition to the General Assembly seven days after that notice.

Thank you for your assistance with our Task Force and with its work.

Very respectfully,

Kenneth L. Ries
Chairman

APPENDIX D

**Assessment of Petition
by
Holiday Island
for
Incorporation**

Relative to NC G.S. 120-166.

**North Carolina Department of Commerce
Division of Community Assistance**

Division of Community Assistance staff has reviewed the petition for incorporation from Holiday Island as it relates to NC G.S. 120-166. That section of the General Statute refers to the nearness of the proposed new 'Town of Holiday Island' to other municipalities. Part (a) of that section sets criteria based on the nearness of the proposed new town to existing municipalities and their respective populations. Note that the General Statute requires that the population values be in accordance with the most recent decennial federal census, or according to the most recent annual estimate of the Office of State Budget and Management if the municipality was incorporated since the return of that census. These relationships are presented in the following table.

Critical Distance	Population of Neighboring Municipality
1 mile	5,000 to 9,999
3 miles	10,000 to 24,999
4 miles	25,000 to 49,000
5 miles	50,000 and over

Although the name of the proposed new town "Holiday Island" suggests that it is an island, the subject area does not appear to be an island. There are no municipalities within five (5) miles of the proposed new municipality.

The petition did not include a formal metes and bounds description, a certified map or a copy of the instruments filed with the Register of Deeds that represents the subject area. Accordingly, staff from the Division of Community Assistance performed a land use survey of the area to determine if the map that was included in the petition reasonably represented the area being considered for incorporation. That land use survey concluded that the map that was included in the petition does represent a reasonable description of the incorporation area's general pattern of development and subdivision.

Accordingly, NC G.S. 120-166. does not preclude the Commission from making a positive recommendation on the petition for incorporation relative to the proposed Town of Holiday Island.

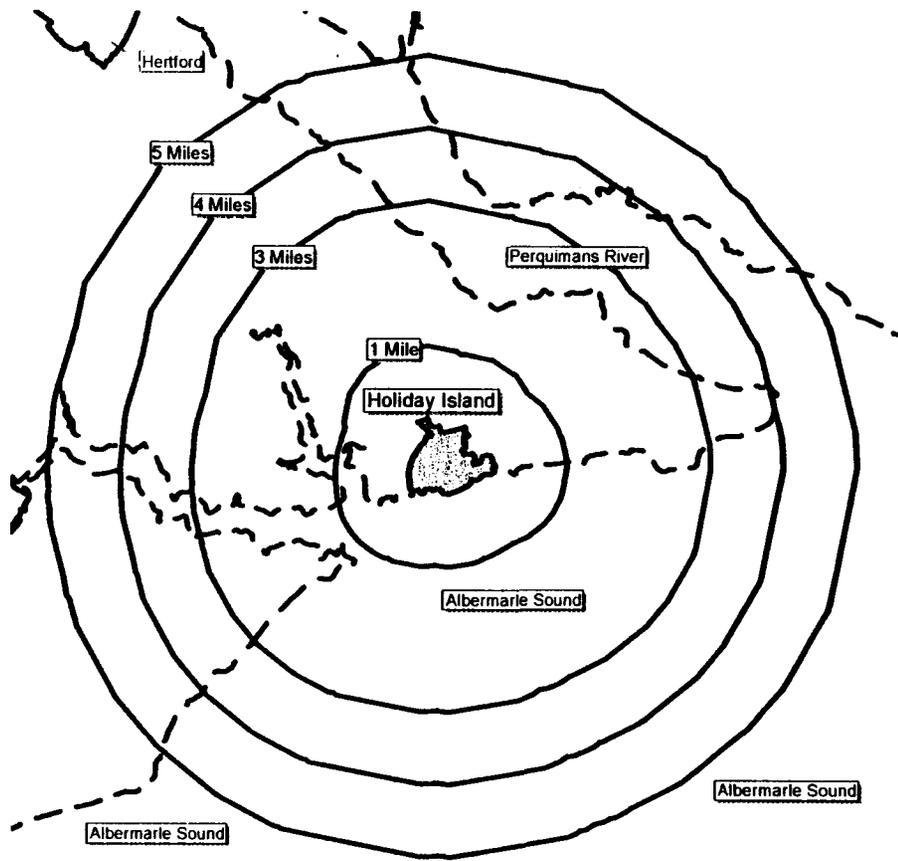

Information sources: the foregoing assessment was based on the most recently updated DOT GIS data that was provided by NC CGIA. A buffer analysis (an ArcView GIS utility) was performed on the proposed boundary that was presented on the map attached to the petition.

Note: 1

§ 120-166. Additional criteria; nearness to another municipality.

(a) The Commission may not make a positive recommendation if the proposed municipality is located within one mile of a municipality of 5,000 to 9,999, within three miles of a municipality of 10,000 to 24,999, within four miles of a municipality of 25,000 to 49,999, or within five miles of a municipality of 50,000 or over, according to the most recent decennial federal census, or according to

APPENDIX E

**Assessment of Petition
by
Holiday Island
(Perquimans County)
for
Incorporation**

**Relative to NC G.S. 120-167.
through NC G.S. 120-170.**

**North Carolina Department of Commerce
Division of Community Assistance**

Division of Community Assistance (DCA) staff has reviewed the petition for incorporating the Town of Holiday Island relative to NC G.S. 120-167. through G.S. 120-170. The following discussion addresses each of these sections of the General Statutes.

NC G.S. 120-167. Additional criteria; population.

NC G.S. 120-167 refers to population and requires that the permanent population must be at least 100. The petition did not indicate an estimated population although the petition's proposed budget referred to 200 residents. The Division of Community Assistance (DCA) performed a land use survey of the subject area. That survey identified 419 dwelling units in the subject area. The 1990 US Census Bureau data indicates an average of 2.63 persons per occupied dwelling and an occupancy rate of 93 percent. This suggests that 1,024 persons are likely to reside in those 419 dwellings. It appears that NC G.S. 120-167. is satisfied.

NC G.S. 120-168. Additional criteria; development.

NC G.S. 120-168. refers to development and requires that at least 40 percent of the area must be "developed for residential, commercial, industrial, institutional, or governmental uses, or is dedicated as open space under the provisions of a zoning ordinance, subdivision ordinance, conditional or special use permit, or recorded restrictive covenants.(1985 (Reg. Sess., 1986), c. 1003, s. 1.)".

DCA used a land use survey combined with an analysis of assessment value relative to lot size to determine the degree of development. The survey considered parcels as "developed" if they had land use characteristics that were residential, commercial, institutional or governmental, industrial, or dedicated open spaces. The assessment used a residential density minimum of 1 unit per 5 acres as developed for residential purposes.¹ Vacant parcels, forested parcels, or parcels where agricultural use was predominant were considered "undeveloped". For large tracts that were only partially occupied by for commercial, industrial, institutional, or governmental uses the estimated area occupied by those uses was considered as developed. DCA's analysis indicated that 41 percent of the subject area is developed (please refer to Table Exhibit 1 and Map A, Appendix A). It appears that NC G.S. 120-168. is satisfied.

¹ Reference NC G.S. 160A-41.(2)

**Table Exhibit 1:
Development Relative to NC G.S. 120-168.**

Land Use	Acres
Residential	137
Commercial	3
Institutional/Governmental	8
Undeveloped	214
Total	362
Total Acreage Developed	148
% Developed	41%

NC G.S. 120-169. Additional criteria: area unincorporated.

NC G.S. 120-169. requires that none of the area proposed for incorporation may be included within the boundary of another incorporated municipality. DCA compared the proposed boundary for the Town of Holiday Island with the most recently updated NC DOT geographic information system (GIS) data that was provided by NC CGIA and found no evidence that any of the subject area is part of any incorporated municipality. It appears that NC G.S. 120-169. is satisfied.

NC G.S. 120-170. Findings as to services.

NC G.S. 120-170 requires that the proposed municipality can provide, at a reasonable tax rate, the services requested by the petition and that the proposed municipality can provide at a reasonable tax rate the types of services usually provided by similar municipalities. To help quantify this requirement DCA considered the gross assessment value of the proposed municipality (less tax exempt properties) as its tax base. DCA compared the property tax rates and property tax revenues of ten municipalities that have a population size similar to that of the proposed Town of Holiday Island.

For fiscal year 1997-98 the average property tax rate and revenue for the comparison communities were \$0.45/\$100 assessment and \$137,424, respectively (see Table Exhibit 2). In order for the proposed Town of Holiday Island to generate similar revenues it would have to levy a property tax rate of \$0.63/\$100 assessment (assuming a total assessment of \$22,641,000 and a collection rate of 97 percent).

**Table Exhibit 2:
Property Tax Rate and Revenues Comparison**

Municipality	Population	Tax Rate/\$100 FY1997-98	Property Tax Revenue
Lake Waccamaw	949	0.27	167,921
Cooleemee	962	0.20	45,393
Warrenton	976	0.60	225,741
Lucama	983	0.45	119,166
Vanceboro	1,015	0.50	115,256
Oakboro	1,027	0.47	218,656
Norlina	1,047	0.53	98,129
Broadway	1,050	0.59	219,040
Gaston	1,050	0.58	109,924
Kingstown	1,053	0.35	55,009
Average Tax Rate \$0.45/\$100			
Average Property Tax Revenue \$137,424			

The petition indicated that the proposed town does plan to provide services that are similar to other municipalities of comparable population. Given the estimated assessment valuation the community could provide such services. However, it may have to set a property tax rate higher than each community listed in the table and significantly higher than the average tax rate for those communities. It appears that NC G.S. 120-170. might not be satisfied.

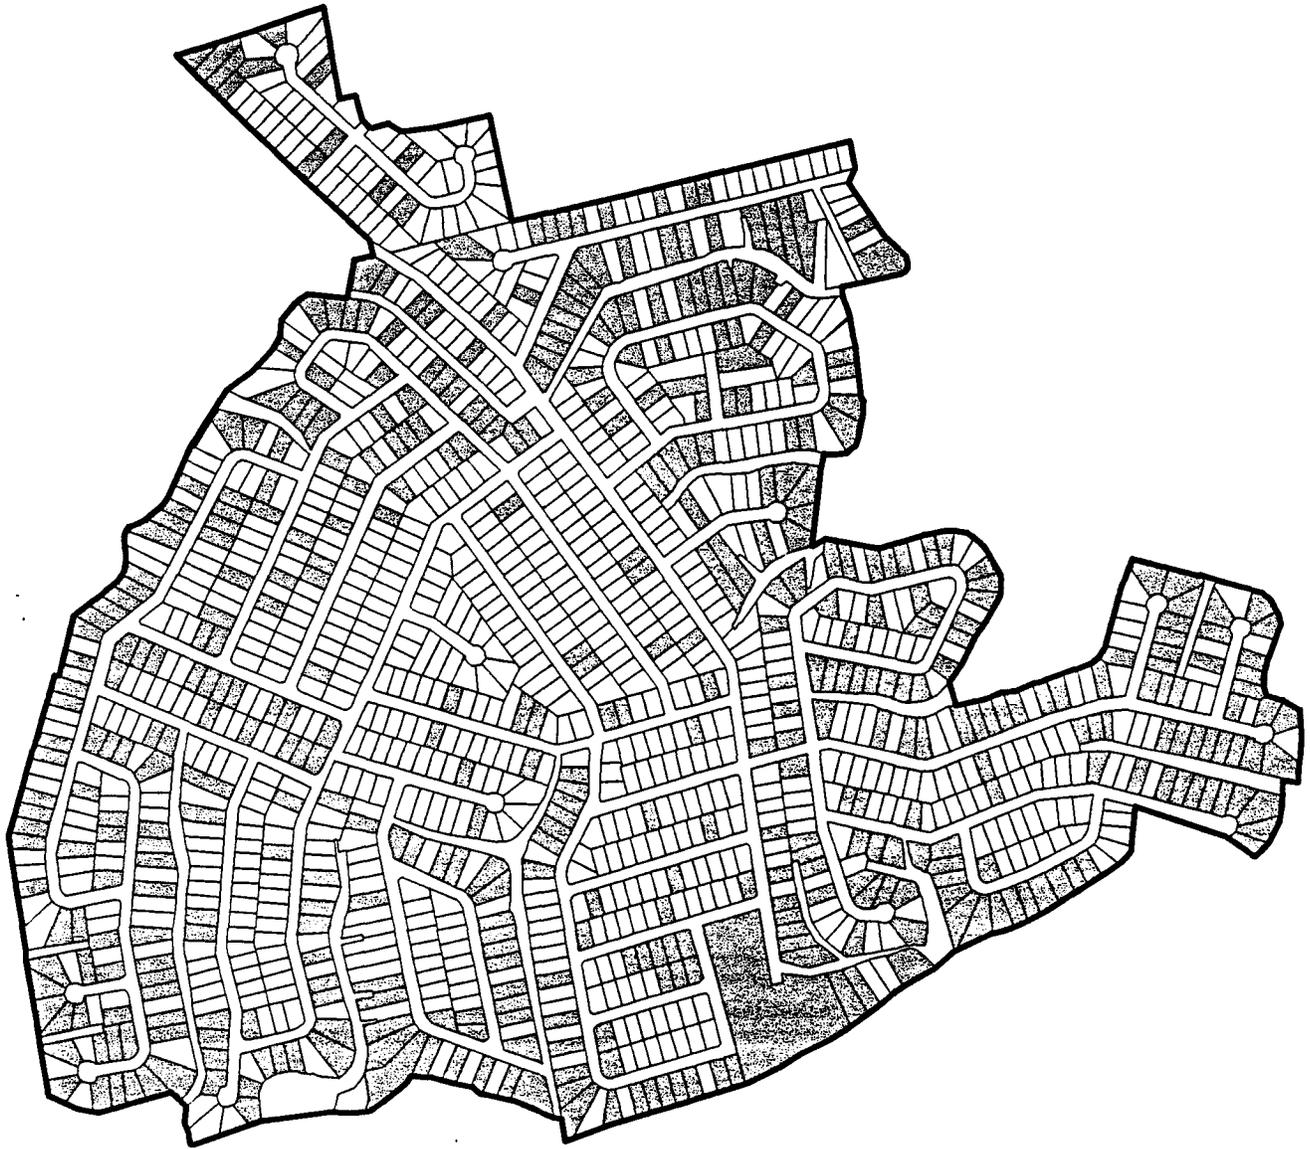

Conclusion

Based on the forgoing, it appears that the proposed Town of Holiday Island satisfies the North Carolina General Statutes 120-167 through 120-169. However, it appears that it might not satisfy North Carolina General Statute 120-170. Accordingly, if the Commission finds that NC G.S. 120-170 is not satisfied, the Commission on Municipal Incorporations may not make a positive recommendation on the incorporation of the proposed Town of Holiday Island.
